DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Beverly Lubit on 1/4/0**x**.

The application has been amended as follows:

- 1.1 In Claim 1, line 3, **add** --wherein the lithium fluoride compound comprises particles of about 1 nm to about 100 nm -- **after** "about 2 volts to about 5 volts relative to a Li/Li⁺ reference potential".
- 1.2 Cancel Claims 12 and 31-64.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The closest prior art known to the Examiner is listed on the attached PTO 892 and 1449 forms.

Roth et al. teaches a method of manufacturing nanoparticles of lithium fluoride but does not teach, disclose or suggest lithium fluoride particles having the charge capacities specified in Claim 1. Kwon et al. (KR 2001063879) teaches various lithiated transition metal fluoride compounds but teaches only micron sized particles. None of the prior art

10/721,924

Art Unit: 1796

teaches, suggests or motivates the formation of lithium fluorides which have particle sizes of 1 to 100 nm and possess the charge capacities as specified.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

- 3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jaison P. Thomas whose telephone number is (571) 272-8917. The examiner can normally be reached on Mon-Fri 8:30 am to 5:00 pm.
- 4. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy P. Gulakowski can be reached on (571) 272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
